

The Word Of God Is The Foundation For The Prophetic

Isaiah 40:8

- Whereas human life is ever so short compared to eternity, God and His Word stand forever (v. 7-8).
- The word “foundation” means a basis upon which something stands or is supported.
- If the prophetic ministry is going to flow and operate properly in our lives, we must have a firm foundation in the Word of God.
- The highest form of the prophetic ministry is the Word of God.
- The Bible is the measuring stick of our prophetic ministry and words.
- The core of the whole matter of God’s Word and its relationship to our lives is the issue of authority.
- The church has strayed away from allowing the Word of God to be the final authority in their lives.
- There are several problems with allowing your mind, your thinking, and your thinking process to be your source of authority.
- The first problem is that your mind is finite.
- The second problem with using reason as your basis of authority is that your mind is sinful.
- There are others who depend upon their feelings.
- There are others who say, “Let your conscience be your guide.”
- If you choose any of the above you are in trouble, because they are all defective.
- Purpose: to make sure that we are rooted and grounded in God’s Word.
- Goal: for every believer to let God’s Word be the only source of authority on which they make the decisions of life.
