

God's Insight and Influence Upon Creation

Ecclesiastes 3:1

- Series: Shifting – During A Season of Change (Ecclesiastes 3:1-14)
 - God is Shifting Us. The word “shift” means to change the place, position, or direction; to move from one assignment to another; to exchange or replace by another. God is calling us to a higher calling of usefulness.
 - The Purpose – (1.) To remind of the greatness of our God. (2.) To encourage us that every season can be successful. (3.) To challenge us to maximize every opportunity to grow in our relationship with God and each other.
 - The Goal – is for us to embrace God’s unique purpose for every season of our lives.
- Lesson #1 – When we understand “God’s “Involvement” in Creation” – we gain a greater “Appreciation” for God. (Genesis 1:1-28)
- A. God’s voice was actively involved in creation – His voice must be actively involved in our daily lives (John 10:4-5, 11-14).
 - The only way to “know” God and “know” His voice – is through a personal and intimate relationship with Jesus Christ.
 - The number #1 way that God speaks to us (as believer) is through His Word.
 - B. Then God said, “Let us make man in Our image, according to Our likeness...” – God expresses Three things that every believer should always remember:
 1. Expresses God’s desire to have personal relationship with man-kind. This is God’s desire and it should be our desire!
 2. Expresses God’s involvement of the Entire Trinity in creation of man-kind: God – the Father of creation, God – the Son of redemption and God – the Holy Spirit working in the life of the believer. (Genesis 1:26-28, 2:7)
 3. Expresses God’s will that both male and female (man-kind or human race) were created not only to reflect God’s glory – but we were created in God’s image and likeness.
 - God is actively present and involved in every moment, every season of our lives assisting us in fulfilling His will and purpose.
