

SEVEN THINGS WE MUST DO IN THESE TIMES-AMOS 3:7

Do Not Live in Fear!!!

1. Begin to seek the face of God for wisdom. Begin to depend totally on God.
2. Start planting gardens.
3. Get out of debt and start saving. Be able to get your hands on cash quickly.
4. The greatest investment in the world is the Kingdom of God, however with extra money invest in gold and silver.
5. Store up food and water (or a water purifier) for 90 days or more. Purchase non-perishable food and items.
6. Begin to purchase out of need not out of want.
7. Help others out. Begin to show kindness whenever possible.
